

Arts centre complex studied by council

Town Council at their meeting Monday night reviewed final sketch plan of a building complex formed by the erection of two war surplus huts joined together to form one building. The Arts Centre as it might be called would be in Salisbury Park and would accommodate both the St. Albert Craft Guild and the Creative Schools Society.

A report on the proposed complex submitted to Council by Parks and Recreation superintendent, Mr. A. Gate pointed out that the needs of the school society and the craft guild are very similar, and that in both cases there is need for more space than a single hut would provide. Two separate buildings would involve duplication of

both services and accommodation and neither group would be completely adequately housed in one building.

Young voyagers leave Friday

The "Young Voyagers", 24 students from St. Albert High Schools accompanied

ing. The report noted that the two-building complex would be more economical to construct and to operate, it could also be extended should the need arise.

Total estimated cost of the complex is \$21,000 and both groups would share the cost of much of the labour, (the greater part of which would be voluntary), and materials, so that cost in cash could be reduced to

St. Albert welcomes trail blazers

Two very important young men slipped in and out of St. Albert last week. They were David and Ross Dorward, aged 16 and 15, of 7106-85 Street, Edmonton and they were the "Trail Blazers" of the Waskahagan Hiking Trail which runs for 160 miles through Edmonton, Battle River country, Camrose, Fort Saskatchewan and along the Sturgeon River to St. Albert.

Our young visitors carried their packs on their backs and for two weeks slept under the stars - on the ground and sometimes on concrete floors. They were met at the Town Hall on Wednesday evening by Mr.

Gate and Mrs. Laird representing the Parks and Recreation Department and Fire Chief Tetarenko. Both boys looked remarkably fresh - didn't even complain of sore feet. The food which they carried was of the "add water and stir" variety. (One of them said he'd be quite happy if he never saw instant potatoes again!)

Lion Dr. Cuts welcomed them to Lions Park where they bedded down for the night, following a tour of the museum. Next morning they set out on the last leg of their 160-mile hike and were met on arrival in Edmonton by Lt. Gov. Grant McEwan.

David and Ross Dorward were presented with souvenir copies of the history of St. Albert suitably inscribed by Mayor Fowler to the "Trail Blazers" of the Waskahagan Hiking

Trail". Mrs. Laird made the presentations. Later they were welcomed to Lions Park by Lion Dr. Cuts and Mr. A. R. Gate, Superintendent of Parks and Recreation

by two adult escorts, (teachers Mrs. Dorothy Lien and Mr. John Bauman), will meet at Grandin Shoppers Park on Friday afternoon at 5 o'clock to catch the bus into the CNR station. They're off to Jonquiere Quebec (near Chicoutimi) for a week's visit with high school students there. Families of the Jonquiere students will welcome the St. Albert young people as guests in their homes and a number of interesting excursions are being planned for them.

There are twelve students from Paul Kane and twelve from St. Albert High going on the trip. All the young people were entertained at a party at the Bauman's home recently, to give them an opportunity to get to know each other better and make some plans.

Beginning August 19, St. Albert will be host to a group of visiting high school students from Nova Scotia, as the second half of the Young Voyager program. The young people are selected on the basis of leadership qualities, personality and community involvement, as worthy ambassadors for their schools and provinces.

St. Albert's Mayor Fowler and Parks and Recreation Superintendent Andre Gate are welcomed to the Alberta Crafts Trailer Monday afternoon. Mr. Bill Morton of the Cultural Development Branch, Arts and Crafts Division describes an ornate piece of ceramic ware while Mrs. Les Graft, wife of the Supervisor of Arts and Crafts (next to Mr. Gate) and Kim Bruce, Committee Chairman for Craft Exhibits from St. Albert Craft Guild, look on. Visitors to the trailer were treated to a wonderful display of more than 300 items, the work of Alberta Artists and Craftsmen. Featured were examples of embroidery, ceramics, weaving, rug-making, sculpture, leather work, printed textiles and other work of amateur and professional craftsmen. Gazette photo.

Teacher Changes

The protestant school board in recent meetings have approved the following staff changes:

APPOINTMENTS

Mrs. Sheila Jensen, Mr. Harlow Morrill, Mrs. Kathryn Leeke, Miss Clare Van Oerle, Miss Jane Kreutzer, Mr. Grant Kron, Mrs. Donna Helmers, Mr. Victor Duckering and Mrs. A. M. Furdyk have been appointed to the teaching staff for the coming term, on the recommendation of the superintendent.

RESIGNATIONS

Resignations from the following teachers have been accepted with regret: Maria Lock, Peter McCaffery, Jean Craig, Kathleen Nikforuk, Patricia Buckland, Dorothy Deekert, Patricia Welliver, Julian Guay, Beth Howson, R. Wilson, Mrs. S. F. Akhis, Mrs. June Parker Stanley Woloshyn and Leora Peacock.

School Principal accepts new post

MR. WILLIAM SOPROVICH

Mr. William Soprovich will be leaving St. Albert at the end of July for Winnipeg where he has accepted a position as Curriculum Consultant with the Manitoba Department of Education effective August 1st.

Mr. Soprovich has taught at St. Albert High School for twelve years, serving as principal for the past ten. While he is looking forward with much enthusiasm to his new duties in a field of education that holds considerable interest for him, Mr. Soprovich says that it is hard to pull up roots in a community where he has enjoyed living for so many years.

He has been active in a

number of community affairs, being a member of the Knights of Columbus, a former Lion and secretary of St. Albert Lions Club for two years, and chairman of the St. Albert Library Board. He served as chemistry director for the Science Council of Alberta and a term as president of the Sturgeon Local of the Alberta Teachers' Association. Mrs. Soprovich has worked with the CWL and as a captain at the Retreat House here.

Mrs. Soprovich and the family, four boys and a new daughter who arrived on Saturday morning, will remain in St. Albert until late August.

Rev. Dawkins called to Leduc

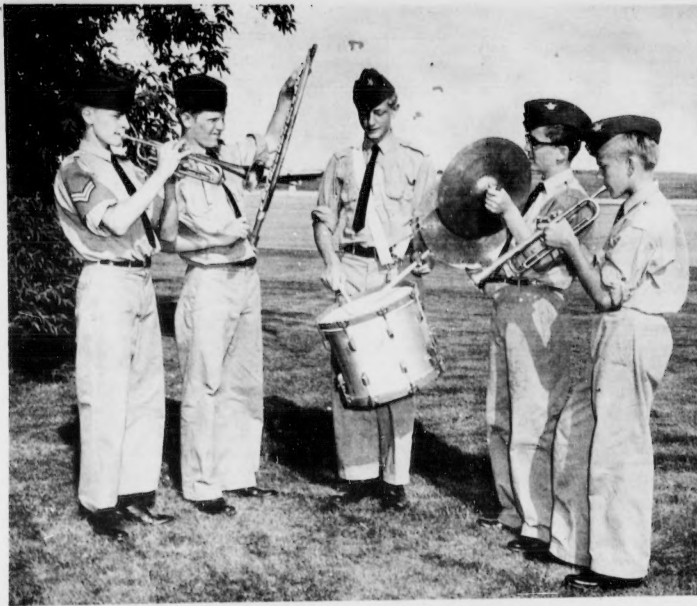

C. W. DAWKINS

Sunday morning was the occasion for the announcement to the congregation of St. Matthew's Anglican Church of the resignation of the rector, the Rev. Cecil B. Dawkins. Mr. Dawkins, who has served the congregation for the last five years, has accepted a call to the parishes of Leduc and Devon Prior to his appointment to St. Matthew's he served as assistant priest to Christ Church Parish, Edmonton. Since his appointment to St. Matthew's in 1963 the parish has grown from a Mission to full parish status within the Diocese of Edmonton. After its erection as parish by the Bishop, land was obtained in 1965 for the erection of a church, hall and rectory. An intensive campaign for funds and planning

for a church building on the site was carried out in 1966. In the last two years many former active members of the congregation have been transferred from St. Albert with the result that further work on this project is postponed for the present.

Mr. Dawkins, in addition to his parish work, maintained an active role in the community. As a member and former president of the St. Albert Ministerial he was closely involved in the development of ecumenical programs leading to better relationships between all churches, and concerned about the development of sex and family life education programs for the community. The possibility of a program of religious education in the schools was one to which he gave full support. Along with other appointments in the city he served this community as a member of the Youville Home Advisory Board, Chaplain to the Legion, and more recently as a member of the St. Albert Library Board.

Mr. Dawkins and his family expect to be moving at the end of August in readiness for the new appointment which takes effect on September 1st, 1968.

Cadet bandmen from the St. Albert Squadron took a prominent part in the band during camp at C.F.R. Penhold, Cpl. Trevor Malone, Dave Hutchings, Bill Tolman, Bob

MacPherson and Cameron Willis are seen here holding a practice session.

St. Albert Recreation News

SWIMMING

Starting next Monday, July 29, there will be public swimming every morning from 11 - 12 noon. This arrangement will continue for 2 weeks.

The Mile Swim held last Sunday evening was again very successful. Ken Love completed the mile in 28 minutes and 2 seconds, gaining a Gold Award and Trent Pezzot and Bill Clark won Silver Awards (30-35 mins) were won by Casey Kelly, Letitia Sopchuk, John Rix, Errol Pederson and Guy Lefelvre, while Ena Dykstra's time was under the allotted 45 minutes. There is already a waiting list for next Sunday's Mile Swim but there will be other opportunities for participating throughout the summer.

The St. Albert Senior Waterpolo team won last Thursday evening's game against Y.M.C.A. by default. The next junior game will be on Sunday, August 4 when St. Albert plays Queen Elizabeth at 9:30 p.m., followed by a game between Jasper Place "A" and Eastglen, CRAFTS

It is hoped that many young people took the opportunity to see the crafts displayed in the Crafts Trailer when it was in St. Albert on Monday. Next fall, the new Arts Centre which is at present being erected in Salisbury

Park will be in operation and St. Albert residents will be fortunate in having one of the best facilities in the province for meeting their creative needs. There are all kinds of exciting possibilities for both children and adults: ceramics, bath, metallurgy, puppetry, painting, basketry - and don't think too harshly of all that quack grass; you might even be able to make a basket out of it!

TRACK AND FIELD

In the Golden Nugget Bays held at the Queen Elizabeth School Track on Tuesday, four members of the Hercules Sports Association Track and Field brought honors home to St. Albert. Kevin McKendry was first in the 50 yard dash for boys 8 & 9; Roberts Kufeldt came 1st in the High Jump and 7th in the 100 yard dash for girls 12 and 13; Dawn Kufeldt was third in the 100 yard dash for girls 14 and 15 and David Page was first in the 880 yards, 4th in long jump and 5th in high jump for boys 14 and 15. Dawn and David teamed with two participants from Edmonton and ran 2nd in the 4 X 100 yard relay. All participants in the track meet will be awarded to those placing.

Around Town

Mr. Harry Hutchings and family are visiting relatives and friends in Mr. Hutchings home province of Newfoundland on their vacation. Mrs. Hutchings and family will stop off on their way back for a visit in Toronto but Harry will return to St. Albert and back to work at his shoe store in Grandin Shoppers Park.

Larry Mitchell of Salina Drive and his team-mate Frank Badoway of Edmonton placed tenth in the Soudrough raft race. A Klondike days event on Sunday. Not a bad performance in a field of 120 men's entries. Their time for the event (about ten miles from White Mud to 50th Street) was two hours and 16 seconds. Winning time was 1:55.

Meanwhile another Larry was busy winning a prize in another river event held for Klondike Days and finishing also on Sunday. Larry Kennedy of St. Albert with Bob Ault of Edmonton won second

place in the 16-mile amateur canoe race held in conjunction with the annual Whitewater Canoe Race. The amateur event attracted 35 entries and was open to anyone with a canoe or kayak. While the Whitewater professionals started Saturday at Rocky Mountain House and ended at the Great Bridge, the amateur novelty race began at Devon and finishing line was White Mud. Larry and Bob did the 16 miles in 2:48.

St. Albert Drive-In Theatre football team brought home the top money from the Barrehead tournament held last Sunday. They defeated Swan Hills in the opener 7-4, edged Sanguo 1-0 and took Barrehead in the final with a score of 7-5. The club goes to Wetaskiwin for a tournament this Sunday. Playdowns in the Sturgeon football league begin July 31 in Spruce Grove with St. Albert Drive-In team drawn against Spruce Grove for the first game.

The St. Albert Tennis Club will be holding their annual Dance at Club Mocambo on Friday September 13th. The gala event will be open to the public and local and district residents are invited to keep that date open.

Trustees review non-teacher wages

The Board of Trustees of St. Albert Protestant School District at their regular meeting June 20th held a full discussion on various matters pertaining to duties and salaries of school staff members other than the teachers.

Mr. Black referred to a request submitted by Mr. Hrynew at the last meeting, for permission for Mrs. Hrynew and Mr. Sware to work on registrations and programs during the last week of August. Mr. Black advised that the superintendent's recommendation is that three days be allowed for each counsellor and that they receive payment in accordance with the salary agreement.

Mr. Wiltshire moved that the Board accept the superintendent's recommendation - Mr. Harvey opposed the motion.

Mr. Black presented the superintendent's recommendation that Mr. Hrynew's request for an additional full time secretary in place of the half-time secretary be approved. It was moved by Mr. Harvey that the Board approve one additional full time secretary at the Paul Kane High School. Mr. Schroder moved that the matter of secretaries in all schools and the District Office be referred to the

Micro-organisms found in the dry valleys of Antarctica are among the smallest on earth. One species measures only a micron—1/25,000th of an inch in diameter.

Administration Committee for a report on the present and future needs of the School District. Carried. Mr. Wiltshire referred to the material provided by Mr. Hrynew in support of the request for additional secretarial help in the high school. He requested that the superintendent look into the pupil/teacher ratios given for the two Edmonton Separate Schools mentioned.

NON-TEACHING SALARIES

Mr. Penrose, Chairman of the Administration Committee, reported that he will not be in a position to present a report on salaries for non-teaching staff until after the salaries and conditions of the Edmonton Public School Board are reviewed by that Board.

Mr. Harvey advised that he spoke to Mr. Fraser, Chairman of the St. Albert Public School District, regarding a possible meeting between the districts to discuss the need for a joint high school in St. Albert. He mentioned that Mr. Fraser agreed to discuss this matter at their next board meeting.

Mr. Penrose, Chairman of the Salary Negotiating Committee, advised that negotiations are proceeding

CONTINUED FROM PAGE 2

slowly with the Alberta Teachers' Association, and more meetings as scheduled.

NOON HOUR SCHEDULE

Mr. Black advised that the superintendent does not recommend approval of the request received from Mr. Hrynew that teachers who have a preparation period either before or after the lunch period, be allowed to stay out of the school for the two periods.

The Board concurred with the superintendent's negative recommendation.

Mr. Black presented a request from the superintendent that he be allowed to participate in the Centennial Inter-Provincial Visitation Project during the next year. Mr. Black mentioned that the purpose of this project is to enable superintendents throughout Canada to visit and study other districts similar to their own. He mentioned that the project is sponsored by the Canadian Association of School Superintendents and Inspectors and that they will be responsible for the cost of transportation and subsistence during the two week visit. He indicated also that Dr. Chalmers has indicated that he would prefer to take the leave during September or October 1968, or in the spring of 1969.

The request was approved in principle, and the superintendent is to submit a

detailed report to the Board outlining the purpose of the project and his reasons for wishing to participate.

NEW STAFF REQUIRED

Mr. Black advised that enrollments in the coming year in Grade 1 will be considerably higher than originally anticipated. He requested that the principals present be allowed to speak to the Board and explain the problems encountered in staffing due to this increase.

Mr. Thronson and Mr. Garber spoke on a proposal that would transfer students living in the North end of Sturgeon Heights who are now in the Sir Alexander Mackenzie attendance area, to Leo Nickerson. Mr. Thronson pointed out that this move is necessary due to the heavy classroom loads expected in Grades 1 to 6 in his school. He did point out however, that in transferring these students it will be necessary to open one additional classroom and hire one additional teacher for Leo Nickerson.

Mr. Carnahan also presented details supporting the need for two additional teachers at the Sir George Simpson Elementary School. He mentioned that original estimates for Grade 1 beginners were 125. However, the Orientation Program has indicated that at least 142

CFN/Apprentice Donald Brook, son of Mrs. Shirley Brook of 11A Sunset Boulevard, has graduated with Grade 2 Ontario and the trade of Vehicle Technician from the class of Apprentice Soldiers at the RCME School in Kingston, Ontario. Photo shows Craftsman Brook having his apprentice insignia removed by Major W. Downes, signifying his acceptance as a regular soldier. He is being posted to the Canadian Forces Base in Edmonton, CF, Photo.

students will be registered and that this figure could conceivably increase further in September.

It was also pointed out by Mr. Miller that due to the Proposed transfer to his school of a Grade 4 classroom from the Elementary School, he will require one additional teacher also.

It was moved the board approve the reports as presented, and the superintendent was authorized to engage not more than 124 teachers for the school year 1968-69.

Carried:
Mr. Harvey opposed.
The Board also approved the recommendation to

change the attendance area for Sir Alexander Mackenzie School and Leo Nickerson Elementary School, and that the parents involved will be advised of the change made.

Professor: "If, in going down this incline, I gain 4 feet per second, what will my condition be after 25 seconds?"

Student: "You'll be a centipede."

Farmer: "The premier made a right good speech in favor of us farmers, didn't he?"

Friend: "Yep, guess he did. But a half-hour's rain would of done us a heap more good."

PHILIP RICARD

Pte. Philip Ricard, 18, son of Mr. and Mrs. Francois Ricard of 54 Mission Ave., St. Albert, is undergoing a ten week course at Canadian Forces Base Borden, Ontario, teaching him the trade knowledge necessary for the operation of Canada's modern Armed Forces vehicles. On course at the nation's largest military training centre where more than 200 career and trades courses

are taught, this serviceman is learning to drive and carefully maintain vehicles ranging in size from the general purpose jeep to the huge two and a half ton hydraulic six wheel drive troop carrying transports. Following graduation he will be available for transfer as a transport driver to a military unit in Canada overseas.

Macmillan - Thibaudeau Wedding

Saturday, June 29 3:30 p.m., St. Joseph's R.C. Cathedral, Edmonton was the setting for the wedding ceremony between Debbie Bernadette Thibaudeau, daughter of Mr. and Mrs. Helmut Hahn of Edmonton, and Wayne Collin MacMillan son of Mr. and Mrs. Collin MacMillan of St. Albert.

In front of the altar banked with beautiful bouquets of yellow chrysanthemums and daisies with white gladioli, the bride and groom exchanged their marriage vows in a double ring ceremony performed by the groom's cousin, Rev. Andre Piquette.

The bride was radiant in her gown of white silk organza, with overlay of lace and train caught up with perk bows, at the jeweled neckline, accentuating her three tiered pearl and crystal headpiece. She carried a bouquet of yellow roses. Her attendants were, her sister, Miss Janet Thibaudeau, and the groom's sister, Mrs. Colleen Gauthier and Miss Karen MacMillan, all in identical floor length yellow

organza and chiffon dresses, with yellow and tanger-

\$6,000, which would provide electrical, plumbing, heating services, roofing, partitioning and painting.

The plan the town has under consideration would provide an allocation of \$2,000 for each of the participating groups and a capital grant from the department of youth might provide the additional \$2,000.

By-Law No. 14 to prohibit excessive noise in the town has been prepared and was reviewed by Council. The by-law is designed to cut noise to a minimum over the widest possible range, covering such items as motor vehicle noise, commercial and industrial noise, construction noise and domestic noise (such as lawn mowers, snow clearing devices, dog barking and so on). Fines up to \$500 are provided for in the by-law. Copies of the by-law will

be printed and circulated to residents prior to its becoming law. Councilors heard a letter from the Alberta Safety Council congratulating St. Albert on having passed three years without a traffic fatality. Seals were enclosed to add to the certificate presented in 1965, showing 1966 and 1967 also traffic fatality free.

A counter proposal submitted by the Grey Nuns regarding the proposed land exchange and re-subdivision in Mission Park was considered by Council. In conjunction with the termination of Mount Clair Drive, involved in the Town proposal the Councilors also studied a report by the town engineer on the effects on traffic flow and parking provisions in the area, which involves Yoville Home, the new hospital and the school, when

TENNIS

In the recent City Senior Tournaments, Betty Outkew of St. Albert won the Bull-etin Cup for Ladies Singles and later teamed with Judy Wood to reach the Finals in

the "A" Ladies Doubles. The St. Albert pair missed the City championship in this event by the close score of 2 - 6, 6 - 3, 6 - 4. The Junior Inter-Club team played their first match at Kinsmen Club last Thursday, the contest ending with a 3 - 3 tie. Members of the Junior team were Doug Kane, Philip Parsons and John Lock (under 16 boys); Bernice Parsons, Roberta Parsons and Stella Creuzer (under 16 girls); Tom Gates, Danny Soprovich (under 14 boys) and Linda Waucho and Sheila Dalphond (under 14 girls). This team plays at Coronation Park next Thursday with the following additional members: Lawrence Gates and Bert Lamsink (under 16 boys); Miles Pratt and Peter Stanley (under 12 boys) and David Almond and Lawrence Schillner (under 14 boys).

Next Wednesday evening, the Senior Inter-Club team plays host to Bonnie Doon. This team is composed of the top three players on

each ladder. The following players have been on the team during the season: Betty Outkew, Judy Wood, Joan Gates, Beryl Harding, Angela Sonntag, Dave Kirk, Frank Carnahan, Jack Harding, Lorae Wood, Clark Warren and Bob Harvey.

BOYS BASEBALL
The St. Albert Fire Department Bantam team playing in Westlock last Tuesday were clobbered 25 - 7. In the return game the St. Albert boys did a little better and only lost 9 - 7.

MEN'S HARBALL
The St. Albert Oilers participated in a tournament in Slave Lake last weekend. Faring somewhat better than the boys Bantam team, the Oilers took second place. The St. Albert team received a bye against Boyle, soundly beat the Pembina All Stars 30 - 1 and then, running out of pitchers in the third game, were beaten by the Linara Flyers 22 - 2.

Mickey Fraser won the trophy on Friday for hitting the first home run of the day and Richard Perrault won the trophy for the out-

standing player of the day. The next tournament is to be held in Legal this coming weekend. All baseball enthusiasts are invited to attend.

MEN'S SOCCER
Last Wednesday our St. Albert Men's Soccer team played Ritchie Canadians in the Klondike Cup and were beaten 2 - 1. Fred Austin scoring for St. Albert.

In a Second Division League game on Friday, St. Albert once again met Ritchie Canadians and this time beat them 2 - 1. Vic Loddham and Herman Kochan scored for the local team.

The St. Albert team have had a very good season and at the moment are top of the League. Their next game is on Sunday when they play Hinton at Coronation Park. All soccer enthusiasts are invited to attend - and cheer the local boys on to victory.

Keeping uniforms spick and span is always a headache for a soccer team and members of the St. Albert Men's Soccer Club are indebted to Grandin Park Cleaners who have been giving them free cleaning service this season.

ternoon between the hours of 3:30 - 4:30 or 5:15 - 6:00 p.m., when Lee Bishop will auctioneer some of the best slaves in Canada. They will be easily recognized by their striped sweaters, balls and chains.

If you would rather be a slave, join the Slave Parade and contact Romeo at 598-3822 or Cliff at 598-3604.

MR. AND MRS. JOHN D. LUNN.

A pretty June wedding was solemnized recently at the R.C. Chapel in St. Albert, uniting in marriage Doris May MacMillan, daughter of Mr. and Mrs. J. F. MacMillan of St. Albert and John David Lunn, son of Mr. and Mrs. Albert Lunn of Leigh, Lancashire, England.

The double-ring ecclesiastical service was performed jointly by Rev. C. Levangie, C.M.I., and Rev. L. Musto of St. Albert United Church, with Father Levangie giving the nuptial blessing.

Entering the Chapel on the arm of her father, the bride looked lovely in her A-line gown of tissue taffeta, featuring an Empire bodice of whispering lace and matching lace collar ending in a chapel train. Her headpiece was satin pill box trimmed with pearls, which held in place her fingertip veil of nylon tulle. She carried a cascade bouquet of white roses.

Matron of Honor, Mrs. Beryl Richardson, wore a gown in tones of green and bronze styled in Empire line with matching bandeau headpiece. She carried a bouquet of coral hues. David Laddlaw was the groom's attendant.

An afternoon reception, held at the Club Moombo was attended by 75 guests. A three-tiered wedding cake flanked by pink candles and baskets of pink and white glads, centred the head table. A toast to the bride was proposed by Mr. Kenneth Bedell, to which the groom ably replied. Heccon-

cluded by proposing a toast to absent relatives and friends, in particular his parents in England, the bride's sister and brother-in-law in San Diego, California and her maternal grandmother in Dedham, Mass.

Telegrams of congratulations were received from his parents in England, friends in Montreal and Mr. and Mrs. Brian von der Ahe in San Diego. Out of town guests included Fred and Beryl Richardson, Elsie Worton and Mr. and Mrs. George Marshall of Calgary; Mr. and Mrs. John Grinde of Rimby and Mr. and Mrs. Robert Lorimer of Kelowna.

Obituary

ANDREW JOHN KENNEDY

Funeral services for Andrew Kennedy, well-known St. Albert farmer were conducted by Father M. J. Lafrance from St. Albert Roman Catholic Church on July 19th.

Interment was in the St. Albert cemetery.

Mr. Kennedy, who was 70 years of age, was born in St. Albert, the son of an early settler, and farmed with his brother until 1955 in the area which is now the Sturgeon Valley golf course. He has served as chairman of the St. Albert School Board, a director of St. Albert Community League and was a member of the St. Albert Credit Union, the Oldtimers

St. Paul girl weds Vimy man

Our Lady of Victories, Vimy Church was the scene of a lovely early summer wedding on Thursday, July 18 when Miss Mary Kostynuk daughter of Mr. and Mrs. Paul Kostynuk of St. Paul exchanged marriage vows with Ronald Zadunayski, son of Mr. and Mrs. John Zadunayski from Vimy. The Rev. Father A. Desjardins performed the double ring ceremony.

The beautiful bride, given in marriage by her father chose a floor length fitted gown of chantilly lace, the neckline was embroidered with pearls and sequins and featured lily-point sleeves. Her bouffant skirt was accented by white roses of silk organza which enhanced the waistline. Her shoulder length veil of silk nylon net had fine embroidered scallops and was held in place by a cluster of white roses and fine pearl leaves. Red roses and white ribbon streamers with rosebuds formed her bouquet.

Bridal attendants were Mrs. Eleanor Zadunayski, the bride's sister, and Misses Marianne Zadunayski, Lee Perrault, Diane Poloway and Vicky Sikorsky as bridesmaids. Mrs. Zadunayski chose a floor length coral chiffon over peach-sole gown. The empire-waist line and chiffon capes were enhanced by embroidered roses. The bridesmaids gowns were in identical color and design as that of the matron-of-honor. Each carried a nosegay of roses and lilies of the valley with white ribbon streamers. Rhinestone tiaras were worn as headpieces.

The groom's attendants were Mr. Steve Zadunayski serving as male witness, Mr. Bobby Zadunayski, Mr. Art St. Arnaud, Mr. Don Bodruzak and Mr. Don Bodner. Mr. Walter Poloway and Mr. Jim Pysemay ushered the guests and Mrs. G. Provencal played the wedding music.

For her daughter's wedding, Mrs. Kostynuk chose a royal blue and silver brocade ensemble complemented by white accessories, and a corsage of pink roses, and the groom's mother wore a simplicity line dress of gold braided mesh over acetate complemented with gold accessories and a corsage

of yellow roses.

Following the ceremony a family dinner was held at the residence of Mr. and Mrs. Wilfrid Zadunayski which was followed by a reception for 800 guests at the Polish centre community hall. The bridal table was centred by a three tiered wedding cake flanked by white tapers. Mr. Carl Poloway was master of ceremonies and Mr. James Langley proposed the toast to the bride. A presentation and wedding dance was held in the evening.

For her wedding trip to Banff and Jasper the bride donned a yellow straight cut dress with a matching coat of french lace. A pink and yellow orchid completed the ensemble. Upon their return the happy couple will reside in Vimy.

Best wishes were received from Kenora, Ontario and Topeka, Kansas. Out-of-town guests were from Daysland, Camrose, Wabamun, St. Paul, Star, St. Michael Lamont, Athabasca,

Reno, Wetaskiwin, Westlock Flatbush, Gibbons, Thorhild, Radwaster, Bon Accord, Vegreville, Hairy Hill, Busby, Dewarney, Fort Assiniboine, Winterburn, Coronado, Stony Lake, To-field and Carvel.

Vimy Column

At a recent meeting of the Sturgeon River Valley hockey league, Mr. George St. Arnaud was elected president of the association.

Mr. and Mrs. E. Bernard spent the weekend at Beaver Lake.

Miss Suzanne Landry is attending summer camp at Lake Isle.

Mr. Paul Gagne has begun a handrestraining course at Marvel School in Edmonton.

Raymond Deschamps and David Kallal attended the youth seminar at the Edmonton Exhibition under the sponsorship of 4-H clubs.

Mr. and Mrs. Henry Bernard have left on a three week holiday to Radium and Yellowstone National Park.

Dennis Bonduck spent a week at the Goldens camp sponsored by the U.G.G.

Congratulations are extended to Mr. and Mrs. Tim Caouette who were married at St. Francis Church on July 18th. Mrs. Caouette is the former Mrs. E. Lanoquette, former resident of Vimy. The happy couple will reside in Mortville.

Miss Gloria Oke and Mr. Clem Fagnan were feted at a shower and dance in the Vimy Community Hall on July 20th.

Recent visitors in the area included Mr. and Mrs. Lou Landry, Mr. and Mrs. L. Shrum, Mr. and Mrs. Vern Frost, Mr. and Mrs. John

What is a communist? One who has yearnings for equal division of unequal earnings.

E. Elliot

In 1967, 5,379 people were killed in traffic accidents in Canada; more than 160,000 were injured.

France is the only country of the world devoting about one percent of its national income to aid under-developed countries.

\$1,000 Baseball Tournament

One of the main attractions at the Fete au Village again this year is the exciting \$1000, baseball tournament starting Saturday at 12:00 noon July 27 with St. Albert vs Legal. Stay on hand for the 2:00 p.m., game when Westlock play against Redwater. 4:00 p.m., will be another game with Lincaria vs Morinville, with the last game of the day at 6:00

p.m., with Barrhead vs Gibbons.

The semi finals will start Sunday at 12:00 noon with the finals at 6:00 p.m., July 28.

So you baseball enthusiasts Legal has some real competition teams for their two day celebrations. Plan to attend the "Big Money" baseball tournament on July 27 - 28 at Legal.

Legal Locals

Get well wishes are extended to these patients in the hospital, Mr. Arthur Chamberland, Arthur Morin and Mrs. Lucien Cyr.

The Legal parish and community would like to welcome our new pastor Rev. Father Martineau, who arrived last week. Welcome to Legal Father!

Mr. and Mrs. Omer Maurier have left for several weeks holiday to the coast.

Mr. and Mrs. Roland Demers have returned recently from holidaying in Kelowna.

Mr. and Mrs. Lionel Larose from Yellowknife were visiting friends and relatives for the weekend.

Mr. and Mrs. Richard Clouthier are receiving congratulations on the birth of a baby boy Roger. The proud podparents are Mr. and Mrs. Paul Clouthier.

The fire brigade was called at the Benson residence Sunday evening. The flames destroyed their farm home.

Many thanks are extended to those who turned up for the organized "Bee" to clean and paint up at the

grounds in preparation for the Fete au Village.

We hope more people will come again every night this week in order to be ready for Saturday, and especially on Friday afternoon and evening. Ladies will be needed Thursday and Friday afternoon from 2:00 p.m. on --- young boys and girls could also give a hand for the preparations.

Congratulations are extended to the Village of Legal for the beautiful float entered in the Klondike Days Parade. The float depicted the early trappers, Marcel Dube and his helpers are to be commended for making this outstanding float.

Canada is the non-Communist world's second largest sulphur producer. Last year she produced 2,26 million long tons, almost 25 percent more than in 1966.

The only exercise some people get is jumping to conclusions, running down friends, sidestepping responsibility and pushing their luck.

Sign at a gasoline service station: "Even the Temperance League gets gassed here."

Robert Pelletier heads MYRC

MORINVILLE - President Robert Pelletier heads up the new executive of the Morinville Youth Recreation Committee with Donald Weiss as vice-president, Albert Meyer as treasurer and Elaine Steffes as secretary. Denis Charest is in charge of the bingo committee, Anne Hughes, publicity, Robert Craig, concessions manager and Rene Cheva-

lier, sports.

Serving on the advisory board are Mr. Joseph Leduc, Mr. O'Neill Chevalier and Mr. Richard Vanderhauken. The young people are considering plans for the coming fall season, new ideas and projects to carry on the group's fine reputation as lively contributors to the community's recreation program.

Decorate now and win

LEGAL - It's clean-up, paint up, and decorating time for the village homes in Legal. This year an added feature is the Home Decorating Contest. The contest is open to everyone. Consideration will be given to landscaping, decorating,

theme etc. The winners and cash prizes will be announced and presented at the banchell on Sunday.

Get your imagination to work and your community spirit out and you're on your way to winning the Home Decorating Contest.

Notice Hog Producers

IN THE MATTER of the plebiscite required to be held in connection with the plan to establish the "Alberta" Hog Producers' Marketing Board.

Every producer who raised and sold hogs for slaughter during the period May 1, 1967 to April 30, 1968, is eligible to vote for or against the "Alberta Hog Producers' Marketing Plan 1968", if he registers with the Returning Officer.

Registration forms are available at

- (a) all District Agriculturist offices, and
- (b) the office of the Alberta Agricultural Products Marketing Council, Edmonton.

Registration forms properly completed must be in the hands of Mr. C. H. Ferries, Returning Officer, no later than 4:30 p.m., on August 12, 1968 at Room 505, Agriculture Building, 9718 - 107 Street, Edmonton, Alberta.

RETURNING OFFICER,

JANIS PELLETIER

MORINVILLE - A 17-year old student of Thibault School in Morinville has won an Edmonton Rotary Club scholarship at the rural youth seminar held in conjunction with the Edmonton Exhibition, Janis Pelletier and a boy from Barrhead, Dixon Shields, were chosen for the \$100 scholarships from 104 young people attending the 5-day educational seminar.

The seminar was open to rural youth from the ages of 15 to 21 years and provided an opportunity to combine the education program with Klondike Days fun. They attended lectures and demonstrations in various areas of agricultural and homemaking together with competitive and tours of industrial and educational exhibits.

Janis, who has been an active member in Morinville's 4-H clothing club, is entering Grade 12, and the scholarship will fit nicely into her plans to later attend the University of Alberta, where she will study recreational administration.

Morinville Council meets

The Town of Morinville council interviewed Mr. Paul Casavant at their June 26th meeting to discuss his proposal to build a pool hall on lot 58, Mr. Casavant was informed that council had no objection to his proposal.

A request to convert a building located on Lot 24 into a dwelling was turned down for reason that the property is in a commercial zone, without utilities as yet and was considered a very poor location for a dwelling.

O'Neill Chevalier and Ewald Carlson were appointed to the recreation board, replacing Messrs. L. McDonald and Paul Chaffoux. Mr. Raymond McDonald was named Weed Inspector for the town.

Cont'd on Page 4

Fete au Village - Village on a Spree

July 27 - 28, What is Fete au Village? - A Village Holiday!!

Fete au Village is a two day celebration held annually at Legal (30 miles north of Edmonton). It is sponsored by the Legal Recreation Board to provide funds for recreation.

Fete au Village is more than a picnic or a sports day; it's a celebration based on historic village parties staged by the earliest of French Canadians. Fete au Village combines the costumes, the color and the spirit of the good old days, with the many amusements of modern times - parade, mid-way, \$1000.00 baseball tournament, barbeque, slave auction, dance, gymkhana, French cuisine, Ukrainian food, pancake breakfast and a variety of bandshell entertainment. A noted dignitary attending Fete au Village described it as: "A French Canadian Village on a spree" - a spree of music, song, laughter and fun.

The celebration starts on July 27 at 8:30 a.m., with Flap-Jacks a la Canadienne followed by a parade down

main street at 10:30. The grounds open at 11:30 with the Edmonton All Girls' Drum and Bugle Corp entertaining on the grounds. Children will be admitted free Saturday and Sunday. The \$1000.00 baseball tournament goes at 12:00 noon. Finals will be played at 6:00 p.m., Sunday July 28.

One of the main attractions on the mid-way will be the Fete au Village train, built at Legal. Five charming young ladies will be competing for Mademoiselle "Fete au Village". The Queen will be crowned on Saturday evening. The candidates are Miss Brigitte Paquin, Lorraine Brisson, Connie Theberge, Shirley Woyvika and Judy Cormier.

Come and dance Saturday night to the music of the well known ten band "Society's Child".

There will be a gymkhana at 1:00 p.m., each day with junior, senior and ladies events. A large mid-way with concessions, crafts and souvenir booths, rides games of chance, bingo, free entertainment at the band-

Does your wife get up grumpy in the morning? Never mind. On July 27th you can get your flapjacks served with a smile on Main Street in Legal. Here's Frank Ricard and some of his crew ready to go into action - and it would be hard to beat those smiles. Gazette Photo

shell --- fun for all!

For food, have a lunch at the tea room, French cuisine, Ukrainian food, juicy barbeque steaks or a snack at the booth.

On Sunday night at 8:00 p.m., an open air concert featuring the fabulous Alaska Highway Birth-Quakes followed by a gigantic fireworks display will bring the celebration to a close.

For the best family entertainment meet your friends at Legal's Fete au Village on July 27 and 28.

Sturgeon teacher appointments

The following appointments were ratified by the Sturgeon School Board at their June meetings:

Appointments to Staff

Peter McCaffery was appointed acting vice principal of the Mission Park School for the 1968-69 school term. Miss Gloria Rudko was appointed

ointed grade 3 teacher at Mission Park School, Mrs. E. Kolodychuk will be transferred from grade 6 to grade 7 at Namoo School, Mrs. Anita Bailie was transferred from grades 1-2 at Saskatchewan School to grade 1 at Bon Accord.

The following appointments to teaching staff were ratified: Mrs. Joanne Stewart Junior High, Horse Hill, Mrs. Mildred Tracie-grade 1V Horse Hill, Miss Lorraine Nobert-grade 11 Camilla, Mrs. Johanna Husing-Junior High Gibbons, Miss Geraldine Morris-grade 1V Bon Accord, Mrs. Rose Ruballak grade V, Namoo.

Council approves road construction

1968 road construction matters were dealt with in detail by the Municipal District of Sturgeon at their June 13th meeting and when it reconvened June 18th, Mr. Goutach, engineer of the Department of highways, was in attendance at the meeting in order to have the articles of agreement drawn up, approved by council and duly signed by the proper officials.

Council approved signing of the Natural Resources

grant covering from Highway 2 on 137th avenue going westerly two and half miles, and totalling \$86,867, - (\$20,000 is the government share at 75% and \$6,667 is the municipality's share, at 25%).

STRAIGHT ROAD GRANT

Council approved the following road construction and graveling under the Straight Road Grant, totalling \$106,975 (Government share 75% and M.D. 25%).

From the NE Corner of Section 21-56-22-4 going west 5 miles, Grade and Gravel	53,000.00
From the NE Corner of Section 13-58-25-4 going south 15 miles Regravel	13,000.00
From the NE Corner of Section 17-58-25-4 going south 15 miles Regravel	12,000.00
From the NE Corner of Section 10-58-25-4 going south 8 miles Regravel	6,974.67
From the NE Corner of Section 22-57-26-4 going south 6 miles Regravel	12,000.00
From the NE Corner of Section 12-55-26-4 going west 9 miles Regravel	10,000.00
	106,974.67

P.W. REPORT

Mr. Van de Walle, chairman of the public works committee, reported on road construction during 1968 as recommended by the committee: These constructions are listed in order of their priority:

1. Contingency Road Grant-Correction Line Road
2. Natural Resources Grant Road, Water Resources

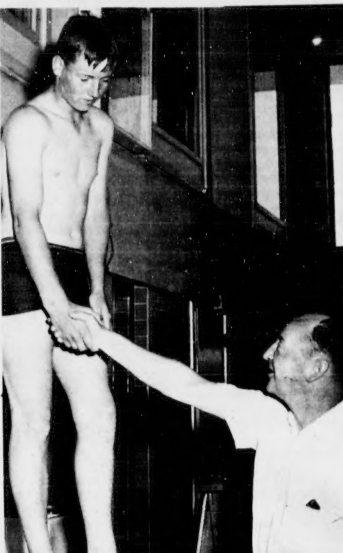

Division is to be contacted in relation to a drainage survey of the area.

3. From NE 21-56-22-4 going west five miles.
4. From NE 34-56-21-4 going south eight miles.
5. From NE 21-55-24-4 going west six miles.
6. From NE 34-55-25-4 going south two miles.
7. From NE 9-56-24-4 going west six miles.

PAUL RIOPEL

Paul Riopel of Morinville was awarded the Edmonton Exhibition challenge trophy and a trip to the Saskatchewan 4-H Leadership Camp, when he was chosen by the judges as best entry in the 4-H public speaking competitions at Klondike Days. Paul's topic was "Vive La Canada" and he won competition with 14 entrants who had previously won district eliminations to get into the finals. Judges were Ron Chapman, district governor of Toastmasters' International, W. L. Owen of the CBC and Eric McCorkell, academic dean of Alberta College. Paul is a member of the Morinville 4-H Beef Club, and has previously won several prizes and trophies in public speaking contests.

Gary Moore of Bon Accord Squadron won the "spon scramble" an under water speed event at the inter-provincial track and sports meet held at Penhold air cadet camp. He accepts his award from Air Commodore C. W. Burgess.

Our Half Acre

A page designed to inform farm readers on current agricultural news and events and to serve as a forum for expression of farmers' opinions.

Horticulture Tour

The fourth Alberta Horticulture Week will be held at the Alberta Agricultural and Vocational College, Olds from August 5 to 10.

The week is sponsored jointly by the Alberta Horticulture Association, Alberta Region, Flowers Canada, Alberta Department of Agriculture, Faculty of Agriculture and Department of Extension, University of Alberta.

This will provide an opportunity for all those interested in the many aspects of horticulture to acquire authentic and up-to-date information on new developments in the industry. Qualified instructors will be on hand for the various lectures and demonstrations.

Six courses will be offered. The first three days are devoted to the Floral Design School and Growers' Clinic which run concurrently. The Judging School runs for the next two days, concurrently with the Canadian Diploma in Horticulture School, Thursday and Friday, August 8 & 9 \$5.00.

Living accommodation will be available at the new

college residence at \$5.50 per day, including meals. Accommodation being limited, early booking is urged. Final registration for each course section will take place from 9:00 - 10:00 a.m. on the first day of the respective course. However, enrolment will be limited in every course to permit effective instruction, so early pre-registration is encouraged.

The following fees will be charged:

Floral Design School, Monday to Wednesday, August 5 - 7 \$30.00.

Growers' Clinic, Monday to Wednesday, August 5 - 7 \$30.00.

Judging School, Thursday and Friday, August 8 and 9 \$5.00.

Nurserymen's Clinic, on Thursday, August 8 \$10.00. Homemakers' Flower Arranging Course, Saturday, August 10 \$2.00.

Canadian Diploma in Horticulture, Thursday and Friday, August 8 & 9 \$15.00. Further information and registration forms are available at the Department of Agriculture office in Morinville. Drop us a line or phone 256-3351 if you would like further details.

Take stock of roughage

Now is the time for cattle-men to take a careful inventory of their potential roughage supplies for next winter. The cold dry spring has resulted in below normal hay yields, and necessary remedial action should be taken now, not when shortages become apparent next fall.

Cereal grains harvested as greenfeed or silage in late August or early September would alleviate the situation, suggests Mr. O. G. Bratford, Head of the Alberta Field Crops Branch, Victory oats, a late maturing variety, harvested in the medium good stage, is recommended for both greenfeed and silage. In the case of silage, the energy content of the feed will be greatly

increased with the addition of 15% of an early maturing barley such as Gateway.

In a normal year past experience has shown that cereal grains can be expected to produce 5 to 6 tons of silage per acre, depending on moisture fertility, etc.

Factors determining the roughage requirements for a cow herd will depend on the winter and the type of ration fed. Generally, one acre of silage for each beef cow to be wintered is sufficient; with finishing cattle requiring less, while milking cows will need more. Because of the greater waste involved, a slightly higher acreage of greenfeed will be required.

Lacombe Tour

The Lacombe Research Station invites visitors on August 8th to tour the Horticultural, Cereal and Crop Management test areas commencing at 1:00 p.m. sharp.

Transportation for all visitors will be provided by the Research Station for these tours and visitors will

be given the opportunity to view first hand many experiments of interest and value to farmers throughout central Alberta.

Coffee will be supplied at the picnic grounds from 12:00 noon to 1:00 p.m., for those wishing to bring their lunch.

Picnic or poison?

Shirley Rebus, D.H.E.

It's that time of year again - summer means picnics and relaxation! But food poisoning is no picnic, and fever, cramps, vomiting and diarrhea are far from relaxing.

FOOD POISONING - OUR FIRST IMPRESSIONS

You may have thought immediately of "ptomaine poisoning." Actually this is a misnomer, and many authorities claim it doesn't exist. Ptoamine refers to the substance produced as food decays. These would be formed only at advanced stages of decay. By this time, the foul odor and taste would prevent your eating the food.

"BOTULISM" is another well-known name in connection with food poisoning. The spores and bacteria grow very well in canned low-acid foods - peas, beans, corn, meat - where air is excluded. Since the spores and bacteria are highly resistant to heat, the water bath method doesn't reach a temperature high enough to kill them. Only a pressure canner ensures safety.

Botulism is very dangerous, resulting in death in the majority of cases. Fortunately, botulism is rare. The two kinds of food poisoning that occur in picnic foods are not usually fatal for healthy adults, but could be dangerous for children and sick people.

These are *Salmonella* and *Staphylococcus*. The *Salmonella* organism itself causes infection in the stomach and intestine. *Staph* bacteria produce a poisonous substance (toxin).

Preventing Food Poisoning

Bacteria are found all around, so it is up to the cook to keep as many as possible out of food. This is why we hear reminders not to handle food if you have boils, infected cuts, or sores; to cover sneezes, then wash your hands; to wash your hands after visiting the toilet; to keep your kitchen, equipment and utensils clean.

Despite our efforts, some bacteria will find their way into food. Our second defence against food poisoning is to prevent them from multiplying into numbers which cause harm. One germ divides in two every 20 minutes. In five hours, just two of these micro-organisms would have become 33,000.

This multiplication occurs in moist foods when the temperature is between 40° and 150° F.

PICNIC DANGERS

Unfortunately foods that are most easily contaminated are also our favorite picnic dishes. EXAMPLES: Potato salad, salad sandwiches, (meat, fish, eggs, poultry), devilled eggs, hamburger and other ground meat, cooked meat and poultry, chicken and meat pies, puddings, custard, cream pies, cakes with fillings.

These foods should be avoided unless you have proper cooling facilities. This means maintaining a temperature of 40° F or less. To do this you need an insulated container and a coolant.

CONTAINERS AND COOLANTS

C.A.C. rates the Polystyrene foam coolers as having excellent insulating properties. Their drawback is lack of durability. However, carrying the cooler in a cardboard box will protect it. Other insulated coolers were rated as having adequate insulating properties, but they are more expensive.

If you do not have a cooler, and are not going to hold the food very long before eating, a box lined with several inches of newspapers will likely be satisfactory.

To keep it cold, you can use commercial ice packs, ice cubes in plastic bags, or water frozen in solid blocks in milk cartons. A freezer thermometer in the container will let you know if the temperature is low enough.

Carry the picnic container inside the car, on the floor behind the front seat. This is cooler than the trunk.

WHAT FOODS ARE PICNIC-SAFE?

Your choice is practically unlimited if you can provide refrigerated transportation. If you plan to take any of the "danger foods", you are wise to prepare them yourself. Then you are sure that safe handling methods have been used to reduce contamination.

Many picnic foods can be frozen ahead of time and packed frozen. They will thaw slowly as you travel, and help keep the container cold in the bargain! Do not freeze crisp or watery vegetables like lettuce, tomato, cucumber, egg white, mayonnaise, or jelly.

Since bacteria dislike an acidic atmosphere, add a bit of lemon juice to sandwich fillings and salads.

Some items travel safely without being kept cold. These include peanut butter and jam sandwiches, bread-stuffs, unopened cans of meat, pickled products, tomatoes, carrots, celery, cheese, fresh fruit, fruit pies, cookies, and cakes with a butter icing.

And with that, may I wish you happy, healthful picnicing.

Market board registrations

Hog producers will soon be asked to register with the Alberta Products Marketing Council in preparation for voting on a plan for a hog producer's marketing board recently approved by cabinet.

Before the plan can come to a vote, a total of 6,000 hog producers must register. These producers between them must have sold a minimum of 600,000 hogs from May 1, 1967 to April 30, 1968. If these requirements are met, a copy of the plan and a ballot will be mailed to

everyone having registered. If it receives a majority of affirmative votes, it is expected the plan will be put into operation later this year.

Letters outlining this plan and registration forms will be sent to hog producers on July 15th. If you don't receive one and are interested in this plan, these will be available at the District Agriculturist's office in Morinville. The deadline for registration is August 12th, 1968.

Fur Bargains

Are you planning to buy mink, a mink stole, cape or coat? This could be the year to do it, you could be in for some real bargains this summer.

R. W. Gillies, fur farms supervisor with the Alberta Department of Agriculture, claims that pelt prices are considerably lower than they have been for several years. He feels that they are likely to go up in the 1968-69 pelting season. His prediction is based on the fact that almost all this season's pelts have already been sold.

We all know that mink is the most beautiful fur in the world, but how many of us know anything about such terms as "let-out", "drop-pelt", mink, "mutation" mink, "natural" colors etc.

For instance, do you know what the Canada Mink label means in a mink garment; why some mink garments are cheaper than others; whether you should choose a carot or wild mink and why; and how long you can expect a mink coat or stole to last?

The Canada Mink Breeders Association pamphlet - "Mildly Asks About Mink" contains answers to those questions, plus a section with information on the care of furs. This publication may be obtained from most furriers, the fur farms branch of the Alberta Department of Agriculture and the head office of the Canada Mink Breeders Association, Clarkson, Ontario.

Rooster Eggs?

THESE ROOSTERS TRY HARDER - and THEY LAY EGGS!! According to the 1968 Ford Almanac for Farm Ranch and Home, a technique that produces egg-forming organs in roosters is being perfected at the University of Maryland. If the works, you may have 200 million roosters across the U.S. competing with hens for egg-laying honors!!

The Canada Department of Agriculture supported 135 University operating and extramural research projects at a cost of \$625,000 in 1967-68.

In 1967 the world's leading exporting nations were: United States, West Germany, Britain, Canada and Japan, in that order.

Seven members of #593 Squadron, Legal Royal Canadian Air Cadets and their escorting adult, Captain Roy Hart of St. Albert, photographed at summer camp at Penhold base, where they are attending from July 1st-14th. Aircraft in the background is a glider used in training

County

CONTINUED FROM PAGE 1

underpass west of Nainoa. He stated that there was a possibility of receiving a grant from the Board of Transport Commissioners on the cost of improving the approaches to the existing underpass. Council agreed to table any decision until more information is available.

PIPE LINE ROAD CROSSINGS

Mr. Weir also informed Council that he felt that trenching road allowances and the use of heavy wall pipe was very good and that boring and casting be only required on major artery roads. He stated that the Municipal policy regarding the companies to pay \$200, per crossing for the future maintenance costs of ditched crossings was a good policy.

Council approved a contract between Unity Construction and M.D. of Sturgeon per Mr. W. Van de Walle.

From NE 9-58-24-4 going west one mile.

From NE 11-56-24-4 going south two miles.

From NE 15-58-24-4 going south five miles.

Rates: gravel at \$1.25 per yard loaded on trucks.

Trucking at Municipal rates.

Mr. N. Shuttlesworth of Richardson Road Machinery attended the meeting and asked Council if the members had considered purchasing the Road Maintenance King-Sloper attachment which has been here on trial for the last two or three weeks. He offered it at the following

prices: Initial Price - \$5,200, complete with hydraulic bar, less \$430, for a total of \$4,770. Mr. Shuttlesworth agreed to Council's request to leave said piece of equipment on trial for another month.

RESERVE MAINTENANCE

Letter from Mr. Henry Paul, chief of the Alexander Band, was read to the council in relation to the municipality maintaining the reserve roads with a motor grader with the exception of the Sandy Lake road. He requested a maintenance schedule and that such program be implemented as soon as possible. This matter was referred to the public works committee for the preparation of a schedule.

ROAD SIGNS

It was moved that the council approve the erection of a directional sign to Mr. Les Evans indicating the route to Nakamun on the road four miles north of Morinville, going west at some location where the A.M.A. and Egg Lake signs are located. Subject to Highway's approval.

The validity of cattle crossing signs erected between the SW 19-57-23-4 and SE 24-57-25-4 was discussed in relation to distance between the two signs - apparently they are located 1/2 mile apart.

Letters from Mr. Youngs of the Department of Highways were read to the council regarding the following road cancellation requests: 1. Road Plan 5483 MD and

flights. Top row from left: Tom LaBarge, Claus Thomas, Cpl. Ken Hills, Roger St. Jean and Dennis Letourneau. Bottom row: Cpl. Ernest LaForce, Captain Hart and Cpl. Charles Pare.

NAMAO NEWS

The Namao School and Community League held a Klondike Dance on Saturday July 20 in the Namao Community

Hall. Klondike costumes were in order and music by the "Pioneers".

Karen Gibson and her two cousins Barbara and Beverly Naundorf along with three other girls from Fort Saskatchewan and Lamont and their teacher counsellor

Mrs. G. Beauchamp of Fort Saskatchewan left the International airport July 12th for Toronto where they were joined by Mrs. Beauchamp's two nieces on a European Travel Seminar. They will spend two days in New York before joining other such groups from all parts of the United States in Philadelphia for a charter flight to Rome. They will travel in Europe by train through Italy, France, Belgium, Holland and England. Housing will be university residences. As well as planned sight seeing excursions they will have nine hours of lectures in each country by local college faculty members. Free time will be allowed to pursue individual interests and to visit relatives in England

Council agreed to table any decision until further information be obtained from the Water Resources Division and in accordance with the Drainage Act.

Young people enjoying trip

MORINVILLE - Father Beaupre is acting as Chaplain for a group of 37 boys and girls participating in an Interprovincial voyage to the Province of Quebec. They left on Sunday, July 14th by CPR, travelling via Calgary to arrive in Ottawa at 7:40 July 16th, where they were billeted with families participating in the "Voyage" for a three day visit.

Then it was on to Montreal for a two-week stay, where they are being made at home with various families in the city. Then on July 31st they will take the train again - this time for Quebec city where they will spend two weeks before meeting at the CPR station for the trip back to Alberta, arriving on August 17th.

Annette Caron of Morinville is one of the students on the trip. They are all in Grades 11 or 12 and come from Edmonton, Bonnyville, Beaumont, Thérien, Guy, McLennan, Donnelly, Plamondon, Spirit River, Ste. Lina, Lafond, Fahler, St. Isidore and Groulxville.

This is the sixth consecutive year for the exchange voyage which is sponsored by the Association Canadienne Francophone of Alberta.

The thought of chaperoning 37 lively teenagers on a 34-day trip would undoubtedly cause consternation to many an adult, but Father Beaupre is well-known for

his interest in young people and we expect he is enjoying himself immensely.

Notice

Municipal District of Sturgeon No. 90

It is prohibited to dump any garbage, car bodies etc., on road-Road Allowances. Offenders apprehended will be prosecuted.

Alphonse Nobert
Secretary Treasurer

APPLICATION FOR LEASE OF ROAD ALLOWANCE

Notice is hereby given that JAMES V. FOREST of R.R. 2, St. Albert, Alberta, has made application to the Minister of Highways, Edmonton for lease of the following road allowance:

Firstly - The most northerly 170.2 feet of the original road allowance adjoining the east boundary of the N.E. 8-55-24-4.

Secondly - The most easterly 467 feet of the original road allowance adjoining the north boundary of the N.E. 8-55-24-4.

Thirdly - The portion of the original road allowance adjoining the east boundary of the S.E. 17-55-24-4 which lies south of the roadway as shown on plan D.O.H. 2250.

Any protest against the granting of the above mentioned lease must be forwarded to the Minister of Highways, Edmonton within thirty days from the date of this notice.

CONGRATULATIONS

L.A.C.'s Tom Laberge of 593 Squadron Legal and Nick Kreway of 524 Sturgeon Squadron congratulate Constable Ron Hurt of Burdett, Alberta on his graduation from R.C.M.P. 'P' Division Penhold. The cadets had just

witnessed the impressive graduation ceremony of the R.C.M.P. Air Cadets Laberge and Kreway are among more than 2,000 cadets who attended camp at C.F.R. Penhold this summer. Squadrons from Ontario to R.C. and the Yukon were represented.

Sturgeon School Board Meets

Trustee McDonnell reported to the June meeting of the Sturgeon School Board on the meeting which he and Superintendent Knisk had attended with members of the Alcomdale local board and parents. The parents had voted overwhelmingly to close the Alcomdale School and have their children attend at Camilla.

Mr. Knisk reported contacting the Department of Indian Affairs, who were prepared to recognize 50 students, rather than 60, as a maximum to attend Camilla. The department contacted the building branch of the Department of Education, to advise them of the federal government's contribution towards the Camilla construction program. This will be in the vicinity of \$78,050. Messrs. Wilson and McDonnell will ascertain the disposition of these funds.

Mr. McDonnell advised the board that the installation of gas was proceeding at Riviere Qui Barre and that the cost of connecting to the gas line would be \$300, per teacherage unit and \$300, for the school. Thereafter minimum rates would be \$10, per month. Mr. McDonnell was authorized to make arrangements to have the school and teacherages 2, 3 and 5 connected for gas.

Mr. Morley Workin and Associates presented final plans for Camilla school and closing date for tenders was July 5th. It was also decided to transfer the Alcomdale portable classroom to Camilla school, where an extra room is required to absorb Alcomdale students.

Mr. Steben, supervisor of

guidance, reported that there are approximately 7 children from the Alexander Indian Reservation that would like to attend the pre-employment class at St. Joseph's. Mr. Steben advised the board that he had contacted the Department of Indian Affairs pertaining to these students and that the Department of Indian Affairs consider these students the responsibility of the Sturgeon Board. Mr. Steben also reported on the operation of the opportunity room.

Letter was read, dated May 22, 1968, from Paul Brochu secretary treasurer Thibault School Board, requesting meeting with divisional board. Mr. Krauskopf secretary treasurer, was instructed to set a tentative date with Mr. Brochu.

Mr. Francis Robinson, chairman of the new elementary science program committee, interviewed the Sturgeon School Board at their meeting June 12, for the purpose of laying out plans for the introduction of the new course in grades 1 to VI this coming term. Mr. Robinson gave a brief resume as to the differences in the new course as compared with the old, emphasizing that the students discover and learn for himself under the new course.

The board approved the recommendation that \$4, per student be allotted for the coming school year to each school to purchase equipment for the new program. The May attendance figures will be the basis of the allotment to each school.

Mr. Austin further reported

that the overload on Nick Kreway's bus had been transferred to Bob Davis' bus route be extended one mile per day to accommodate students transferred.

Metro Kondrak interviewed the board with a request that the board provide him with a teacherage. It was moved that the board accept Mr. Kondrak's resignation tentatively on the basis of whether or not he is able to locate housing accommodations in the Bon Accord area.

Clarification will be sought from the A.S.T.A. re two resolutions submitted last year and establish whether or not any action has been taken by the provincial government regarding supplementary tax on pipelines and the painting of buses other than those used for

school bus purposes, and if not, these two resolutions be again submitted to the trustees association annual meeting.

MEETINGS

Trustees indicated that they would (1) meet with the Minister of Education on Monday, June 24 at 1:30 p.m. - meeting arranged by Keith Everitt, M.L.A. (2) meet with the Thibault School Board on Thursday, June 27 at 8:00 p.m. - meeting requested by the Thibault Board (3) meet at the divisional office at 9:00 a.m., Friday, July 5 - building program for Mission Park and Bon Accord; at 3:00 p.m. for opening of tenders for the Camilla project.

Visiting 4-H members enjoy barbecue

The 6th annual bar-be-que for the interprovincial 4-H exchange delegates was held on July 9 at Mr. T. Fox's Meadowview Ranch. Sincere thanks go to the Royal Bank of Canada - sponsors of the Canada wide 4-H exchange, the Meadowview Ranch - site of the bar-be-que, and the Flying Red Wheel Ranch - the Collins of Winterburn. A delegate from each of Canada's nine provinces was present. Each delegate gave a short talk on his or her province and the 4-H club which he belongs. They will spend two weeks in Alberta, spending some time at Jasper, Banff and Calgary. The delegates will be hosted by two families, one for each week of their stay.

Among those attending the bar-be-que were Youth Minister Robert Clark, Deputy Minister Leo Usher, Canada's Dairy Princess Janet Olesen, representatives from The Royal Bank of Canada and the Edmonton Hockey Association and exhibition star Glenn Hall.

Theme for the evening was "The world knows no strangers - only friends waiting to be met". Delicious steaks were enjoyed by everyone attending.

Sturgeon Trustees review maintenance program

Mr. Ken Dohel gave a maintenance report to May 31st and the board also reviewed the summer maintenance program under Mrs. Lois Houle, chairman of the maintenance committee. Painting program under Walter Herboldt's direction will include Exterior and trim of Gibbons gymnasium playground equipment at Gibbons, interior of No. 5 teacherage at Camilla, library and audio-visual rooms at Bon Accord, north wing of Camilla, also staff rooms at Camilla. Mr. Herboldt was asked to contact the trustee for further instructions re painting at St. Charles, Saskatchewan and Alcomdale Schools. Mr. Wilson will ask the Namao local board to paint the school fence at Namao, with board

supplying the paint, if agreeable to the local board.

The board gave tentative approval to Mr. Dohel to proceed with renovation to the elementary school at Bon Accord and to hire a carpenter for July and August. LIBRARY - install ozite carpeting; redecorate walls install one additional fluorescent light; remove partition, provide 16 feet of shelving. LABORATORY - convert staffroom to laboratory; relocate shelving from library to laboratory. Mr. Dohel was asked to obtain prices on (1) sanding of floors (2) installation of floor tile, lino, (3) moving of partition and report on these matters at the next regular board meeting.

Approval was given to relocate the existing partition between the existing staff room and the workroom at Camilla and thus convert the present workroom into a staffroom with a sink off the furnace room. It was suggested that renovations in this area be referred to the architect for his recommendations. Mr. Dohel was instructed to make a survey of existing bookshelves at Camilla and report to the board.

Mr. Dohel indicated that he will be replacing the exit doors on the portable schools, with new ones at Horse Hill School.

Mr. Wilson undertook to contact a cement contractor to see if it might be feasible at this time, to pour a new slab in front of the entrance to the Cunningham School.

MORINVILLE

Council

CONTINUED FROM PAGE 1

Mr. McDonald requested council to have the interior of the Fire Hall painted and reported on public works. He suggested that the vacant parcel of land on the west side of the water reservoir be leased out for farming purposes.

A letter from Sturgeon Health Unit advised council that the bacteriological content of the water was satisfactory. Council also heard a letter from the M.D. of Sturgeon regarding fire protection services. The Mayor and deputy mayor will attend the July 11th meeting.

Following the approving for payment of accounts submitted, the meeting adjourned at 11:50 p.m.

If you are near-sighted be particularly careful when driving at night. Studies find that ten to 20 percent of near sighted persons become even more handicapped at night.
